Delivery and Pick Up Guidelines

- Delivery schedule is set the day before your delivery. We make all efforts to have your equipment delivered before you arrive or just after your arrival.
- We will break down all equipment, then clean & sanitize everything upon return, so please do not scrub things down or wash sheets. Please be aware that items which are exceptionally dirty, missing parts, or damaged may require renter to pay an extra charge.
- Linens and towels must be placed in provided laundry bag for pick up. If items are not ready at your scheduled pick up time and a return trip is necessary, a return trip fee of \$25 will be charged to your order.
- Returns may also be made to our storage garage at 3897 Old Post Road in Charlestown RI. Please call first to cancel your pick up appointment.

Cancellations

- We are very understanding that many of our customers are traveling with or hosting infants or toddlers and that unexpected situations may arise where you would need to cancel your order at the last minute.
- Please give us as much advance notice as possible if you need to cancel or end your stay sooner than expected. In the event you need to return baby gear early, you will receive a reasonable refund.
- No refunds for early return of linens, towels, or any beach related gear. No shows are responsible for 100% of their order.

Extensions

- Perhaps you are having a great time and are staying longer! Or Grandma needs a few more days of family time. Please call as soon as possible to make extension arrangements as your equipment may be needed for another reservation.

Car Seats & Safety Gates

- Car seats are to be installed by the renter only. **Away Wee Go does not install car seats.** You will receive detailed instructions from the owner's manual and you will be provided with a list of local car seat inspection stations if requested. Because of the safety issues involved with car seats, if you have any issues, problems, or are involved in a motor vehicle accident, please contact Away Wee Go immediately so a replacement seat may be delivered ASAP.
- Safety gates do not replace supervision of your children. Pressure gates are for use at the bottom of stairs or in doorways only!
